

\$500 (USD) / \$675 (CAD) REBATE ON D-STAR REPEATERS

For the love of **ham radio**.

If an Amateur Radio Club purchases any new G3 D-STAR repeater module(s) from an authorized US or Canadian Icom Amateur Dealer, they can receive a \$500 (USD) / \$675 (CAD) rebate on qualifying system components.

DATES: April 1 – September 30, 2023

RULES:

- Promotion valid for Amateur Radio Clubs only
- Limit two systems per club

REBATE SUBMISSION:

Submit all information below no later than 90 days after purchase. Icom will review all information before processing rebate.

- Completed rebate form
- Membership roster
- Club constitution and by-laws
- Copy of repeater proof of purchase
- UPC photo
